[illegible]1:("MARKEN ISLAND" [illegible]

Date of Event Oct. 1957

Description and Remarks

[illegible]ries of tourist-attraction, Marken Island in Holland--this fishing-port has only few ships now for tourist purposes. Marken is called the "Island without boys" because until the age of 8, boys all wear girls' clothes and have long hair--a dike, nearing completion, will soon connect this island to the Mainland--people still wear traditional Scandanavian dress----------

----------7671x7:("DELTA (Dike)"--the "Pinspot", a 3 kilometres secondary waterway on island of THOLEN(Zeeland) has a weak spot and may soon be cut off if not saved--children work hard to help in the conservation--big nylon sandbags are brought in to speed the salvage work--
